

Principal
Shaheed Monsur Ali Medical College
House 26 & 26A, Road No 10A,
Sector 11, Uttara, Dhaka - 1230

Dear Sir,

I am writing to express my sincere interest in the Lecturer position at Shaheed Monsur Ali Medical College, as advertised. Enclosed is my resume, and I am eager to bring my skills and passion for medical education to contribute to the academic excellence of your esteemed institution.

I'm **Dr. Asadul Al Galib**, an MBBS graduate with a year of internship experience. My education at Sir Salimullah Medical College instilled in me a strong foundation in medical expertise and academic excellence, earning honors in various subjects and securing positions in the top 10 under the University of Dhaka in 1st, 3rd and Final Professional Examination.

During my internship at **Sir Salimullah Medical College**, I honed clinical skills, connecting theoretical knowledge to real-world scenarios crucial in medical education. As a Lecturer at **Udvash - Unmesh Shikkha Poribar** since 2017, I demonstrated teaching proficiency, instructing high school and college students in Physics and Biology. Additionally, as a Lecturer at **Science Private Program**, I taught Biology to medical and varsity admission examinees, showcasing adaptability to diverse learners.

What excites me most about the prospect of joining Shaheed Monsur Ali Medical College is the opportunity to contribute to the institution's academic excellence and foster student growth. I am confident that my combination of medical expertise, teaching proficiency, and dedication aligns well with the values of your esteemed institution.

Thank you for considering my application. I am enthusiastic about the possibility of contributing to Shaheed Monsur Ali Medical College and would welcome the opportunity to discuss how my skills and experiences align with your institution's vision. I look forward to the chance for an interview.

Sincerely,
Dr. Asadul Al Galib
